

UNITED STATES NAVAL SEA CADETS CORPS

VADM JAMES H. FLATLEY JR. DIVISION

February 26, 2009

ADVANCED TRAINING SCHEDULE IS POSTED ON INTERNET

Many SUMMER 2009 trainings are posted on the National internet web site

Check to see what is available – remember to follow instructions which were provided by INST Croy at the Feb. 15, 2009 drill.

If you have an interest – notify INST Croy as soon as possible so he can verify that you MEET the qualifications for the training(s) you are interested in.

Remember to select back up trainings in case your first CHOCIE select fills up.
